Session Commitments

- Topics to be chosen through consultation with the community
- The program will begin with a six month trial period
- Approximately 1 session per month will be offered

Expectations of Community

- Provide an appropriate indoor space for sessions, free from interruptions
- Organise children to be minded, but if not possible advise doctors that children will be present so that appropriate activities can be prepared
- Complete anonymous feedback forms at the end of each session and the community leader provides verbal feedback to the project administrator
- Provide 1 weeks' notice for cancellation of a session
- Provide interpreters as required
- Realise that doctors are not to be used for individual medical advice

Expectations of Doctors

- Provide 1 weeks' notice for cancellation of a session
- Complete online feedback survey after each session
- Participate in scheduled meetings as per the project administrator
- Do not provide individual medical advice
- Be flexible to communities' needs, learning styles and topics
